That sounds good to me, with one question – when you say the site, do you mean the office at the CFAC plant?

Thanks, everyone, and have a great weekend!

Subject: CFAC Panel Meeting Update
Importance: High

All,

Vonda will be preparing an ad to go in the *Hungry Horse* newspaper for Wednesday, January 13. The text will cover:

1. Logo used on the panel letterhead and the community updates

2. CFAC Community Liaison Panel Meeting, Thursday, January 21, 2016, 6-8 p.m., Columbia Falls High School Cafeteria, Evening Discussion: USEPA Community Involvement Plans, Remedial Investigation/Feasibility Study Path Forward, Demolition Update and Donation Update.
Meetings are open to the public.

The agenda is good to go. If possible, should we plan to meet at the site around 3 or so to allow Kristi and I to meet Cynthia? I think there is a meeting for technical team before that. Cynthia will bring her handouts and own computer. Steve is asked to bring his compute (backup) and projector. School has an area for us to project on.

Vonda will notify the panel of the dinner plans for 5 p.m.

Please let me know if I missed anything.

Thanks,
Mary

I'm hung up on a conference call that may be running late. Can I call you directly when I'm free?

4. Name tents will not be placed at table but given to participants to sit in desired seats.
5. Extra tents will be available to prepare for those without tents.
6. An ad will be placed in the *Hungry Horse* Newspaper next week to publicize meeting. Design will be completed to Cynthia's expectations.
7. It was noted meeting information was submitted to local newspaper to place in the Event's section. (Letter also was sent to community by Senator Tester. Provided to Mike by John.)
8. Handouts for group will be decided by Cynthia (to be distributed at meeting or post).
9. Sign-in sheet will be at meeting to capture names and contact information of participants
10. An appreciation dinner for the panel members will be held at 5 p.m. The note to the group in advance will read:
